

Re: Remote Learning – awaiting COVID-19 test results

One Maths and English task should be completed every day. One other subject must be completed each day - you can choose this subject from the **purple** section. Please ensure your child reads a book every day.

| | |
|--|---|
| Mathematics (1 x 60 minutes) | <p>Maths lessons can be found on Google Classroom and will mirror the maths being covered in the classroom at that time. This may be a combination of White Rose maths videos (the scheme we use in school), the screens shared in the classroom and resources/worksheets. Complete one lesson per day and then use the answer sheet to check your work.</p> <p>CHALLENGE: If you feel you can work on a harder challenge afterwards, use the Maths 'Challenge Template' and try some of the activities.</p> |
| Grammar, Punctuation and Spelling (SPAG) (1 x 20 minutes) | <p>https://classroom.thenational.academy/units/t2-word-level-objectives-8c26</p> <p>Please use the above link to Oak Academy for daily spelling, punctuation and grammar activities. Each daily lesson provides a learning video to follow and an activity to complete. Watch the video in full prior to completing the task.</p> |
| English (1 x 60 minutes) | <p>https://classroom.thenational.academy/units/the-borrowers-narrative-writing-c96c</p> <p>Please use the above link to Oak Academy for the daily writing activity. Each daily lesson provides a learning video to follow and an activity to complete. Watch the video in full prior to completing the task. Start at lesson 1 and continue to work your way through the lessons each day.</p> |
| Science | <p>Follow the daily science lessons from Oak Academy. Our learning focus is half term electrical circuits. Watch the video in full prior to completing the task. Start at lesson 1 and continue to work your way through the lessons each day.</p> <p>https://classroom.thenational.academy/units/electrical-circuits-06f7</p> |
| History | <p>In class, children are learning about the effects of Anglo Saxons and Scots settlement in Britain. Go onto BBC Bitesize and watch the videos and go through completing the tasks. https://www.bbc.co.uk/bitesize/articles/zsrkg7h</p> |
| Physical Education | <p>Use this link for a number of suggested physical activities to complete at home</p> <p>https://www.cambslearntogether.co.uk/home-learning/pe</p> |
